

*ELECTRONIC GIVING is a smart,
simple and secure way to make gifts
to Georgia State University.*

You may already be using a similar method of direct transfer to make credit card, utility, or mortgage payments. Transactions are processed through a banking exchange which includes almost every bank, credit union, and savings and loan in the United States.

Electronic giving is easy to use and secure. Your bank statement will show the date and amount of each transfer. Electronic giving is ideal for those who want to support Georgia State University and avoid the hassle of writing and mailing checks. It is especially convenient for those who want to "spread out" their giving in easy-to-budget payments.

To begin using the electronic way of giving, complete the authorization form. After that, it's automatic.

You must enclose a deposit slip or a voided check bearing the account number of the checking or savings account from which your gift payments are to be deducted.

Gift deductions begin within two to four weeks after your completed authorization has been processed.

The GSU Foundation, Inc. needs written notification from you to change the amount of your gift payments or to cancel this agreement. For your security, we cannot accept changes by telephone.
